

# TAG Newsletter ~ May 1998

President: Deborah Sherer 926-8452

Editor: Christine Mattila 333-0097

**Note from the President...How fast this year has flown!** It has been a wonderful year for me. I'm sorry I will not be able to be with you all for our last meeting. If you will bear with me, I'd like to talk a little here. Someone said "the measure of a leader is taken by how much he grows in his task." I have to ask myself, "Did I grow? Was I a good leader? Did we accomplish our goals for TAG?" I've always found growth to be mostly painful and hard. Being your president was neither. It has been a joy. So many people held my hand and stood beside me. Why does a president get the "glory" when everyone else does the work? My dear friends became even dearer through our tasks and I was so proud of the way this group volunteered without being asked. Mostly I heard, "What can I do to help?" If the world would run like TAG has this year, it would be heaven on Earth!

Thank you to: my board members Hord, Jerry, Nancy, Martha, Terry, and Pat; my newsletter VIP, Christine Mattila, who all put in much overtime; wonderful hostess, Sallie Antley and all her volunteers; Jean Ehler and Sara Jur, our librarians; show chairman Dr. Harvey Burnette, Jackie Brantley, Beckie Estes and Dodi Weston, Louis and Agnes Bedenbaugh, Margaret Blackhurst and Margaret Latimore; Niles Storr (workshop chairman); Wyman Trotti (for keeping me straight); Pat Pollard for all her help; and last, but not least, Linda Carter of the Richland County Recreation Commission for making all this possible. Thank you, TAG member, each one of you.. Even though we are all different and come from a hundred varied backgrounds, because we share a common love for Art, we can come together, bounce ideas off one another, our lives becoming the richer for it. What a special gift!

Keep painting over the summer to get a headstart on the fair and other exhibits for next year. See you in September when TAG will resume monthly meetings.

Thanks to the nominating committee. Officers were unanimously approved at the April meeting.
