From the President

Many thanks to Christian Thee for a wonderful presentation at our October meeting. His Trompe L'Oeil is magnificent. Chris made one feel they could move right through the painted walls and doors. What an interesting book and a very creative way to present his portfolio. The stories were great too. Sixty-eight members and guests were treated to some unique art. We had one new member and two guests.

Congratulations to all the State Fair award winners and those who made the traveling exhibition. Please see the list in the newsletter.

We have a bit of a program change to announce. Gennie Wilder will be here in January and we owe a great big Thank You to Stephen Chesley for being willing to come early and give our November Program.

We are pleased to welcome Stephen Chesley to our November Meeting. The Metamorphosis of the TAG Newsletter

Let us know what you think about the new format of the Newsletter. We now have more room for news, so give Dixie a call and let us "brag" about your accomplishments. If you know of an exhibit, show or sale, or anything art related let us know and we will include it in the newsletter. We need your information at least two weeks prior to each monthly meeting.

"The first intention of the painter is to make a flat surface display a body as if modeled and separated from this plane ... This accomplishment arises from light and shade." Leonardo da Vinci
