1998**

## DUES

Don't forget the dues will increase after the end of this year. Save \$5.00 and pay now!

## From the President

What a delightful presentation by Bob Lyons about his Sculpture. Many thanks to Bob! It was nice to hear about his beginnings and how his art evolved. His creative use of materials was quite interesting and the size of his work surprised many of us.

We had 5 new members at the September meeting. This is great! If we get this many each meeting, we will be back to about 180 members. Let's keep working on this challenge. Perhaps we can get some of our guests interested in joining. Also, we have a list of a number of people who were members in the past that might be interested in coming back.

Mea Culpa! Sorry about the mix-up in the directory regarding the location and times of the monthly exhibits. Hopefully the correct information in this newsletter will help. I will try to "fix" the remaining directories.

**"Thank You to our October Hostesses"**

### October Program

**Time: 7:00 p.m.**

We are pleased to welcome Christian Thee to our October meeting. Christian is a very well known oil painter who has worked in New York and abroad. He will show slides of his work and talk about his latest projects. This should be an inspiring presentation and we are honored to have him with us for the October meeting.
