**Happy Holidays
And we will
See you in
January!**

From the President

Stephen Chesley's program certainly evoked the thoughts, hard work and emotions that go into developing a painting. His philosophical approach was inspiring. His recounting the continuous hard work necessary to achieve his goals reinforces the effort it takes to succeed. I hope this inspires each of us to paint, paint, paint and paint more to improve our work. Although I can't imagine spending five years on the river drawing and painting, only eating and sleeping when the need arose.

We thank him for the insight in dealing with galleries. Many thanks to Stephen for a nice program. What fine art!

I will see if we can get the amplifier working for other speakers. Just a reminder, we will have no meeting in December and no Board meeting.

Have some happy holidays! See you in January.
