JANUARY February
1999

From the President

A big thanks to Genie Wilder for her wonderful presentation at our January meeting. Her paintings are superb, and she seems to have fun with challenging subjects. I think it is always inspiring to view and hear about such good work. Genie's humor kept the evening entertaining as well. Those of you who could not attend missed a delightful meeting. We had over seventy people attend, a very full house and I believe we had 7 new members as well.

TAG has not had a selling show in some time. We have had few inquiries about trying again, yet we need a way to make a show more successful! So far there are mixed feelings. Because of the inquiries, your Executive Board believes it should be considered for the 1999-2000 year. But we need input from those persons who definitely would participate. Let us hear from you.

Steve Jordan will be demonstrating at our February meeting. We look forward to his program. Sorry! Steve's workshop is filled with a waiting list. However, check with Niles Storrs to see about cancellations if you are interested in attending.
