## Notes from the President

Many thanks to Phil Garrett for an informative presentation about print making. I am not sure I would have enough muscle to do what is necessary, yet I think print making would be fun and creative.

Our workshop is scheduled for January 11, 12, and 13, 2000 with Joanne Anderson. The session will be water media with figures and/or still life. Joanne is a wonderful teacher and artist. It promises to be an outstanding workshop. Please sign up with Niles Storrs. His telephone number is 256-7652.

Our speaker for October 11 will be Barbara Welles Rasmussen. She plans to speak to us about developing children's art and how we adults can help encourage children's creativity. She works with children to develop their artistic talents. Barbara is an animal portrait artist and expects to bring some of her work for us to see.

The monthly exhibit chairpersons are looking for art to hang. Let's support them. You may sell a piece or two or (three).

The membership directories will be available at the next meeting. So come and get your copy. See you at the meeting on October 11.

## TAG ARTISTS ACCEPTED INTO SHOWS

**Hal Moore** judged the Berkeley Artist Guild Show in Moncks Corner. The show was a state-wide art exhibit for painting. His painting was also accepted into the Northeast Water Color National Exhibit. He was accepted into the Oklahoma National Watercolor show and the Georgia Watercolor Membership Show. Finally, he is in the South Carolina "Special Exhibit for the Millennium" which will be traveling around the state for the next 12 months. Twenty artists are displaying forty works for this.

**Angela Bradburn, Toni Elkins, Hal Moore, and Harry Hansen** were all accepted into the "20/20 Visions Show" which is now at the Anderson County Art Center and will be traveling for the next 18 months.

**Harry Hansen** made it into the "Arts in the Heart of Augusta" at the Gertrude Herbert Institute in Augusta, GA. He is also in the State Museum's important show called "The State Museum – 100 Years/100 Artists: Views of 20th Century South Carolina Art".

### SHOW OFF YOUR STUFF!

The artists listed above are all professionals and are doing very well in their medium. We amateurs also have an outlet for our works – you'll find that in the monthly exhibits listed to your left. Both places are good sites for selling. Indeed, one artist sold 6 paintings at BC/BS this summer. All you have to do is take several paintings to either or both places at the times designated. If in doubt, call the volunteers who are in charge – either Joanne or Harvey – and ask them. For those artists who have to work, try to make arrangements with a friend or fellow TAG member.

**Nobody will see your work when it is under your bed. Or as Hal Moore says "Every artist has to blow his own horn".**
