Trenholm Artists Guild

President Stewart Aleshire

March 2008

Newsletter Editor Pat Spear

Once again Karen Jamrose has given us a great program. Thanks Karen!

David Phillips is chairman of the Nominating Committee. Please let David know if you would be interested in serving on the Board or on one of the committees next year. His e mail address is [dkphillipsstudio@aol.com](mailto:dkphillipsstudio@aol.com).

Our long time newsletter person Pat Spear, is giving up her job. She has been a mainstay of the Trenholm Artists Guild unselfishly giving of her time to produce the newsletter every month. I know the newsletter has always provided good information about the comings and goings of the Guild. Now we also have the Web site that also keeps us informed.

Next year we are going to send the newsletter via e mail to all TAG members to reduce the physical burden on the newsletter person. If you know such a person or you are that person please let the nominating committee know.

Stewart

## **SPEAKER FOR MARCH 10TH**

Margaret Hoybach of Charleston will be our speaker this month. Extensive painting trips to Europe, the Orient and throughout the United States have given her a rich inspiration for her watercolors. She received a degree from the University of Maryland School of Fine Arts and advanced studies at the University of California at Davis. She conducts art workshops and seminars around the US and Europe, lectures to art guilds, professional organizations and is a guest lecturer at colleges, universities and museums. She has an educational television series which is produced and shown in the Washington, DC area.

“Colors of France: A Painting Pilgrimage” was first published in 2002. She takes groups to Provence to “journal” every year. Margaret is a five time Merit Award winner in the SC Watermedia Society Annual Exhibition. She was selected in 1993 as the Commemorative Artist for the Sesquicentennial Celebration of the Citadel in Charleston. She has had numerous one man exhibitions throughout the US, and exhibited in Europe. During 30 years of worldwide art related travel, Margaret has developed rapid sketching techniques for capturing the “inspiration of the moment” and then interpreting it later in the studio in either watercolor or oil. During the last fifteen years she has “journalled” in 19 countries over four continents while traveling over 100,000 miles. She will give a lecture/demonstration for the program.

Since the entire site was redone, please let Paula know if you see any links that don't work or any other problems. Contact her at [paula@trenholmartistsguild.org](mailto:paula@trenholmartistsguild.org) or at 788-4631.
