Michael Story– Featured Speaker/Demo: Color Mixing in Oils

<https://www.facebook.com/home.php?ref=hp#!/pages/Michael-Story-Fine-Art/130191963704906>

Born in 1953 in Beloit, Wisconsin, the grandfather of Michael Story and professional painter, Ken Osgood, taught and encouraged Michael. His family moved to Pennsylvania then to South Carolina. Michael's art studies began at East Carolina and continued at the University of South Carolina, where he earned a B.F.A. in 1975. He began freelancing and established himself as an illustrator and designer. The confinements of advertising art eventually brought about a shift of interest toward fine art. In 1981, Story enrolled in his first watercolor class with the late South Carolina artist Robert Mills. The following year he traveled to New York, where he

studied pastel and oil painting with internationally known artist Daniel Greene.

He has had great success; we are privileged to have him present at the September 12 meeting of TAG. Don't miss an opportunity to learn from a profoundly talented artist and teacher.

President's Corner

Welcome Back! I can't wait to start our 2011/2012 TAG season! The board has met twice since our last member meeting and we have several exciting demos and shows lined up to start our upcoming season. I hope everyone was able to spend some creative time over the summer because there will be several opportunities to enter new pieces in shows soon. We have an addition to our committees for the year: Anne Smith is TAG's new hospitality chair! I hope everyone remembers to sign up on the refreshment list to help Anne! I look forward to seeing everyone in September!

**NEXT EXHIBIT OPPORTUNITY
ROSEWOOD ART FESTIVAL, OCTOBER 22**

David Phillips, exhibits and sales chairman, is coordinating the visual arts displays at the Rosewood Art Festival! The date is Saturday, October 22. The display areas will be approximately 10 x 12 in the parking lot adjacent to Rockaway's at the corner of Rosewood Drive and Howard Street.

It will be a juried entry process where applicants will submit 3-5 images representative of their work via e-mail or CD. There is a \$10 entry fee

but no charge for the display space.

The goal is to include various media: ceramics, glass, fiber arts, jewelry, painting, photography, sculpture. Award(s) to be determined. The motive is to initiate a classy, family-oriented event with low-key, low-/no-amp performances. A call for entries is posted on TAG's web site. Invite your art friends to participate!

Happy creating!

RENEW YOUR TAG WEBPAGE NOW....

It's renewal time again. Send \$10 to renew your existing TAG page or \$5 to renew a link to your existing website. Remember \$10 allows you to make multiple changes to your webpage throughout the year. Artists who participate also have their artwork featured on the TAG website homepage. Pages that are not renewed will be removed from the TAG website on October 1st so don't delay. Mail your check to TAG, PO Box 6791, Columbia, SC 29260.

.....OR SET UP A NEW TAG WEBPAGE. TAG's website (www.trenholmartistsguild.org) includes an online art gallery. For a nominal fee of \$10 per year each participating artist has a webpage that includes a biography or artist's statement, a picture of the artist, and six images of artwork. Each piece of artwork is described by title, medium, size, and price. The artist's contact information is also published. Contact Paula Groomett (pgroomett@yahoo.com) to answer any other questions. TAG also offers a link to an artist's personal or business website from TAG for a nominal fee of \$5 per year.

Proposed By-Laws Amendments

The By-Laws may be amended at any regular meeting of the guild by a majority vote of the members present provided that written notice of the amendment has been mailed to the entire membership at least two weeks prior to the meeting.

The following amendments will be voted upon at the October meeting.

- (1) Because the word “audit” has legal implications that TAG cannot afford, it is recommended that we amend our by-laws to replace the word “audit” with the word “examination.”
- (2) In addition, it is recommended that we clarify who may perform this examination. It is recommended that we have someone who is not a board member perform this process so that the TAG board is not examining itself.

The proposed changes in context are shown below:

Article II. Organizational Structure, Section 2. Board Members and Duties, 4th paragraph, last sentence: The TAG books shall be ~~audited~~ examined annually.

Article IV. Finance, Section 2. The Treasurer will make the financial and other pertinent records available for ~~audit~~ examination annually as soon after the close of the accounting year as is practical. The examination will be performed by someone who is not a member of the TAG board and may be someone who is not a member of TAG. A copy of the ~~audit~~ examination will be made available to Richland County Recreation Commission and to the members of the Guild.

Library Materials

Visit the TAG library before and after each meeting. We have many useful books and DVDs to help you learn about all kinds of media as well as some on art history and famous artists. Please remember to RETURN checked out library materials so other members may use them too.

Publicity/Newsletter – Renea Eshleman

Send News!

With this issue I've reformatted the newsletter into a single column. Because all but a few members now view it on the computer instead of hard copy, I thought it would be easier to read. Let me know what you think!

Let us Celebrate Too...

We want to help celebrate the successes of TAG members! Let me know when you have art accepted into juried exhibits and win awards. Include photos where possible! Send your newsletter articles and photos to Renea Eshleman (reshleman@sc.rr.com) and your website news to Paula Grookett (pgrookett@yahoo.com).

Get the Word Out

Suggest ways to get the word out about TAG and its functions. I post information on Facebook and submit to Arts Daily, The State, Lexington Chronicle/Dispatch News, and Free Times.
